School Requisites and School Appeal :

We are combining the classroom requisites and school appeal into one payment. We are grateful to the Department of Education for providing all school books free of charge again this year. However, some costs are not covered by this scheme, including art materials, photocopying, Aladdin Connect, and other curriculum licenses. The school appeal is also essential, as grants received do not fully cover costs like lighting, heating, cleaning, Insurance.

This combined payment of **€100.00** is due in September and can be made via Aladdin or in cash to your child’s class teacher. Thank you for your continued support.
